WHY CHOOSE A T-REX GLOVE?

AGGRESSIVE IMPACT PROTECTION

TPR deflects and absorbs impacts to the back of the hand and fingers

RELENTLESS DURABILITY

Resilient materials and reinforced wear points deliver protection that endures

EXTREME COMFORT

Flexible impact protection and a variety of lightweight shells give you unbeatable breathability & dexterity

ROCK SOLID GRIP

Specialized materials provide excellent grip in dry, wet or oily conditions

CHOOSE YOUR IMPACT PROTECTION

M-FORCE DEFENSE SYSTEM®	LOW-PROFILE M-FORCE DEFENSE SYSTEM®	M-FLEX DEFENSE SYSTEM®	M-POWER DEFENSE SYSTEM™
Back-of-hand protection extends all the way to the fingertips to deflect and absorb impacts.	60% thinner than standard impact protection to deflect and absorb impacts while maintaining flexibility to prevent hand fatigue.	Back-of-hand protection utilizes ultra-flex TPR design with 130 integrated flex points, pinch-point finger protection, and ventilation for breathability in warm environments.	Heavy-duty back-of-hand protection with a unique ventilated honeycomb design offers extreme protection with 9 times more airflow and maximum flexibility.

Custom T-REX

Customized logos keep your company on their hands and on their minds with your name, safety tagline, and even company colors!

Why Custom Logos?

- ▶ Reinforce your safety message
- ▶ Reduce inventory mixing
- ▶ Increase compliance
- ▶ Boost your brand presence on the job site and set your workers apart
- ▶ Promote Safety Culture – let workers know you care about their safety and that you're willing to go the extra mile to help keep safety top of mind.

Why Magid?

- ▶ Your one-stop safety supplier for the best gloves with your unique message
- ▶ Custom colors at no additional cost
- ▶ Small-run quantities as low as 2,500 – other companies insist on 20,000 to 30,000 minimum orders

It's Easy!

1. Just give us your logo, tagline, and colors
2. We'll create 3 design options for you to choose from
3. Order in quantities as low as 2,500 gloves!

Contact us today to talk about how we can customize the gloves that keep your workers safe!

Why Magid?
